Over a century of commitment to educating the whole child...

EXTENDED CARE REGISTRATION FORM 2017-2018

ICOLPH Extended Care is an after school program that is an extension of ICOLPH School (K – 5th grade). The service supports the family unit by offering a safe and caring environment necessary for ICOLPH students after the school day. Our qualified supervisors provide time for prayer, snack, free play, assisted study time, computer lab, games, directed creative and enrichment activities, volunteer projects, and field trips.

We believe these activities build social relationships, self-concept, creative abilities and learning skills to give children a head start in school.
