Eric Wilkins
Eric Reyes

Ex-Officio Members:

Rev. Bryan Hersey, *Pastor*
Kathy Wartelle, *Principal*
Shellie French, *Bookkeeper*

Dear Potential Donor,

For more than 100-years, Immaculate Conception and Our Lady of Perpetual Help School in downtown Everett, has provided a comprehensive, competitive K-8 education deeply rooted in the Catholic faith. Our tradition of academic excellence focuses on developing strong, successful learners, while providing a wide variety of life-enrichment and extracurricular activities that foster growth in creativity, social/emotional development, and spirituality.

Each year, our school community hosts our school auction that serves as one of our largest fundraisers of the year. **Our Spring Gala Dinner & Auction.**

In the Spotlight, An Evening on the Red Carpet will be held on Saturday, March 10, 2018. The funds raised from our auction help us maintain our history, tradition, and plan for our future legacy. This year we are dreaming big because we believe that anything is possible through the education of our children. **We are writing to ask for your support of our annual auction by donating an auction item. We need your help to:**

- Provide tools to enhance our educational programs for our students.
- Update our curriculum, academic assessments, and enhance our technology.
- Invest in our amazing staff, who tirelessly nurture, encourage, and challenge our students to achieve their very best.

More than 250 guests attend our auction, many of whom serve as decision-makers in business, civic, and legislative leadership. Our overall auction fundraising goal is \$130,000, and we hope you will consider lending your support to help us meet our goal and strengthen our tradition for years to come.

An auction procurement form is enclosed. For more information, please contact Catrina Coulson, Auction Chair at auction@ic-olph.org, 206-353-6025.

Thank you in advance for your generous support,

ICOLPH Parent
